MICHIKO,

On behalf of all of us at United Way Worldwide, thank you for your donation to the COVID-19 Community Response and Recovery Fund.

Your gift is testimony to the generosity that Americans have always exhibited during times of uncertainty. We come together to support our neighbors and their communities. The COVID-19 pandemic is a new challenge for all of us, but by helping those communities affected, you are making a difference.

Because of you, United Way and 211 is better equipped to respond to communities' needs – including sharing accurate information 24/7, helping children who need food during school closures and supporting families struggling with lost wages.

We are grateful for your support.
